Reservations, Deposits, and Rebooking Recap:

- (1) Bookings are done on a “first come, first served” basis. ***Only a deposit will hold a spot.***
- (2) Reserve by telephone the dates your group prefers.
- (3) Maddhatter Guides and Outfitting will require full names, complete addresses, and telephone numbers, e mail ***for all group members*** faxed to (709) 437-6667 along with specified dates you booked (as per reservation form located on our website www.waterfowl.ca, complete form and fax or e mail back)
- (4) Each member of your group is required to send \$1200 USD deposit/hunter. This deposit is to be received within 14 days of your telephoned reservation. Former client spots will be available in “good faith” only till Nov 30th preceding year. Deposits are required by “***all members***” of your hunting group to ensure the requested dates are reserved. Otherwise, your group risks having all deposits returned in lieu of another group who has their deposits paid and contracts completed. The onus is on the group organizer to ensure all group members are aware of this booking policy.
- (5) Once we have received the deposits from “***all***” group members, Maddhatter Guides and Outfitting will send out conformation in the form of a contract and receipt. All contracts have to be completed and returned. ***No one hunts without a completed contract.***
- (6) Payment must be received in full by May 31st, 2011 (this allows Maddhatter Guides and Outfitting 3 months to fill any cancellations and sort out the non-committed hunters from larger groups).
- (7) **Standard and Prorated packages** – we will continue to offer this option. Please note those hunters booking alone or with one or two partners, may be paired up with other hunter/s unless they are booked under the “exclusive – prorated rate” as outlined in the final client/outfitter contract. We prefer to book “full groups” versus “mixed groups”. Preference will be given to groups of 4 to 6.

All payments are non refundable after January 1st of the year of the hunt. Refunds after January 1st of the year of the hunt will only be considered if and only if either: a) the hunter or outfitter is able to find an alternate hunter (acceptable with the rest of your group) or b) the outfitter is unable to provide the service!

Cancellations prior to January 1st of the year of the hunt will incur a \$100 service fee.

Rebooking Policy:

The best time and place to rebook is in camp prior to going home after your hunt. Hunters can ensure their spot for the following year by paying a \$500 deposit upon departure and the additional \$700 to be paid by November 30th. Hunters who would like to rebook have until November 30th to submit deposits for all group members. After November 30th, all hunting spots

are available for booking new clients. Please note that the same holds true for whole groups wanting to rebook a week. Deposits for all group members are required by November 30th to rebook that particular week, or the whole group risks having their deposit returned.
